#### Service Availability

The installation address for the service must be in an area serviced by the nbn™ Fibre Network. The service is not available in all areas, and the service speed you experience depends on your equipment, the number of end-users on the service, and the applications that you are using. Availability for the service can be confirmed by a Tomi Customer Service Representative on 1300 655 982.

#### Equipment Required

Tomi will provide you with an nbn™-compatible router for this service.† This router will be Wi-Fi enabled and allow connection to any wireless devices in your home. Tomi will supply you with this router, which is covered by a 12 month warranty.

#### Minimum Contract Term

Tomi's Go nbn™ plans are available on a Month-to-Month or 12 Month contract term. This is an agreement to supply the service to you at the address supplied by you in your application. If you relocate, Tomi may not be able to provide you with the same offer and you may incur relocation and/or cancellation charges. A discounted setup fee applies on a 12 month contract.
